EDUCATION

Taylor's University — Kuala Lumpur, Malaysia
Bachelor of Software Engineering
Extension in Mobile Computing
Current CGPA: 3.39 / 4.00
Expected Graduation: 2027

PROFILE

Software Engineering student at Taylor's University with interests in software development, cybersecurity, and IoT. Experienced in leading academic project teams, coordinating tasks, and managing deadlines. Familiar with Java, Cisco Packet Tracer, and software engineering principles, with a strong willingness to learn and develop new technical skills.

SKILLS

Technical Skills

- Java
- Python
- Cisco Packet Tracer
- SDLC
- UML / Use Case Diagrams

Design & Analysis

- Requirements Analysis
- Wireframing
- Basic UI/UX
- Prototyping

Soft Skills

- Team Leadership
- Task Coordination
- Problem Solving
- Communication
- Time Management

CERTIFICATIONS

- Java Foundations — Oracle Academy (2024)
- Cisco Packet Tracer: Networking, IoT & Fundamentals — Cisco Networking Academy (2025)
- Hackathon 101: Leveraging AI in Hackathon Projects — Taylor's University (2025)
- Frontend for All — Taylor's University (2026)
- Hackathon Crash Course — Taylor's University (2026)

PROJECTS & ACTIVITIES

Academic Projects & Team Leadership

- Led and coordinated academic project teams, including task allocation, progress tracking, and deadline management.
- Organized team communication and followed up with members to ensure tasks were completed on time.
- Contributed to requirements analysis, system design, UML diagrams, documentation, and project planning.
- Gained experience working collaboratively through different stages of software engineering projects.

Hackathons & Technical Activities

- Participated in ImagineHack 2026, collaborating with a team to develop a technology-based solution within a limited timeframe.
- Participated in hackathon preparation, AI, frontend development, and coding workshops.
- Regularly involved in university technology activities and collaborative development projects.

ADDITIONAL INFORMATION

- **Languages:** Arabic (Native), English
- **Interests:** Cybersecurity, IoT, Software Development, Mobile Computing
